Term 2

MYG Basketball

The basketball tournament was tough and lively. We all enjoyed it. We worked hard and persevered.

In total we came 13th out of 57 schools.

MYG Badminton

My report on badminton:

It was all fair in the rounds and the teachers helped us even though we weren't in school. Before the matches we practised and after the rounds we did more practice. A couple of the games we played with the Medway College and the schools. We appreciate the Medway College for supporting us and playing with us. For me I recommend Badminton as a sport, as any age can do it. So don't give up on it.
