

ST THOMAS MORE CATHOLIC PRIMARY SCHOOL

Breakfast & After School Club Policy

Introduction

At St Thomas More Catholic Primary School, our Breakfast and After-School Club policy reflects our strong belief that all children have entitlement to a broad and varied education and experiences in a caring and safe environment, which reflects the values and beliefs of our Catholic faith. We see ourselves as a loving and happy community following Christ's way, educating children and adults to develop their talents and share them for the good of others. We believe that, together with parents, we are at the foundations of our children's future.

Aims

- To offer a safe, secure and friendly environment in which children can enjoy their time after school before being collected by working parents.
- In accordance with the school's healthy eating ethos to provide a nutritious snack served in a relaxed and supervised environment.

To enhance the community spirit embraced by St Thomas More Catholic Primary School and contribute towards the extended school role.
