## Term 3

### MYG Swimming

Yesterday, my school team and I took part in a swimming Gala at Medway Park. Our team had to compete in 3 races each and a relay race. As a Red Team sports Captain, I would like to thank the whole team that took part in the tournament and to Mrs Robertson for taking us. We had a wonderful day. Out of 12 schools, I am delighted to report that we came in 1st place and won a trophy. I just want to say that I hope the children that are going to the tournament today do just as good as we did and have just as much fun.

# Sportshall Athletics

On Thursday our school was invited to an indoor athletics competition at Medway Park. We came 4<sup>th</sup> out of 12 schools. We tried our best for the athletics competition. I enjoyed the races the most because it showed our great team work. The reasons why we came 4<sup>th</sup> was because of our fantastic team and for Mrs Robertson for giving up her time for us and encouraging us. Hopefully we can talk to you about another competition soon.

# MYG Table Tennis

On Wednesday 8<sup>th</sup> February, my school team and I took part in a table tennis tournament called the mini youth games. It was a great day led by our wonderful teacher Mrs Robertson. The whole team tried really hard, with some great wins for us but unfortunately some losses too. Despite our best efforts I am sad to report that we came 11<sup>th</sup>. Nevertheless, as the red team sports captain I just want to say I am very proud of every single person in the team. Remember it's not about the winning it's about the fun you have taking part.
