

St Thomas More Catholic Primary School

Safeguarding & Child Protection Policy

2022-2023

This is a core policy that forms part of the induction for all staff. It is a requirement that all members of staff have access to this policy and can demonstrate they have read and understand their safeguarding responsibilities.

Date written: September 2022

Last update: September 2021

Ratified by Governing Body: October 2022

Date of next review: September 2023

This policy will be reviewed at least annually and/or following any updates to national and local guidance and procedures.

What to do if you have a welfare concern

Why are you concerned?

For example

- Allegation/ child shares a concern or worry
- Indicators of abuse or neglect
- Concern about an adult's conduct

Reassure, record and report your concerns

- Reassure the child
- Clarify concerns if necessary (**TED**: Tell, Explain, Describe)
- Use child's own words/ use facts
- Sign and date your records (yellow form found on safeguarding notice board)
- Inform a DSL immediately
- Seek support for yourself if required from DSL

Inform the Designated Safeguarding Lead Paula Le Breton, Victoria Ebdon, Jody Deamer

Designated Safeguarding Lead

- Consider whether the child is at immediate risk of harm e.g. unsafe to go home
- Access the MSCP [Inter-Agency Threshold Criteria for Children in Need](#) for further guidance.
- If the child **is at imminent risk of harm** a referral will be made to First Response – 01634 334466
- If the child is **NOT** at imminent risk, then a referral will be made via [\(the portal\)](#)
- If unsure then consult with First Response 'No Name Consultation line' 9:30 – 12:30 (01634 33 1662) or First Response on 01634 33 4466
- Inform staff referrer of action taken and act appropriately to ensure safety measures are in place

If you are unhappy with the response

Staff:

- Follow local escalation procedures [Medway Safeguarding Children Partnership](#)
- Follow Whistleblowing procedures

Children and Parents:

- Follow school complaints procedures
- [St Thomas More Primary School \(st-thomasmore.medway.sch.uk\)](mailto:st-thomasmore.medway.sch.uk)

Record decision making and action taken in the Child Child Protection/safeguarding file on CPOMS (Child Protection Online Management System)

Monitor - Be clear about:

- What action you have taken at the time of reporting the concerns
- What you are monitoring e.g. changes in behaviour, appearance, etc
- Where, how and to whom you will feedback, follow up and how you will record

Review and request further support (if necessary) e.g. Early Help Referral, Mental Health Worker, Therapy, Parent Workshops/Programmes etc

At all stages the child's circumstances will be kept under review
The DSL/Staff will request further support if required to ensure the **child's safety is paramount**

Introduction and Ethos

- St Thomas More Catholic Primary School recognise the statutory responsibility to safeguard and promote the welfare of all children. Safeguarding is everybody's responsibility and all those directly connected (staff, volunteers, governors, leaders, parents, families, and learners) are an important part of the wider safeguarding system for children and have an essential role to play in making this community safe and secure.
- St Thomas More Catholic Primary School recognises the importance of providing an ethos and environment within school that will help children to be safe and feel safe. In our school children are respected and encouraged to talk openly. All children (defined as those up to the age of 18) have a right to be heard and to have their wishes and feelings taken into account and all children regardless of age, gender, ability, culture, race, language, religion, or sexual identity, have equal rights to protection.
- Staff challenge any form of derogatory and sexualised language or behaviour. They are vigilant to sexualized, aggressive touching/grabbing behaviours and recognise particular groups at risk, for example, children with SEND. We recognise that these children can be targeted by other children and acknowledge the importance of a safe space for them to speak out or share their concerns with members of staff. Children are protected from upskirting, bullying (+ cyber), homophobic, biphobic and transphobic behaviour, racism, sexism, and all other forms of discrimination.
- Our school acknowledges the need to treat everyone with equity, with fairness, dignity and respect. Any discriminatory behaviours are challenged, and children are supported to understand how to treat others with respect.
- Through their day-to-day contact with children and their direct work with families, all staff and volunteers in school have a crucial role to play in noticing indicators of possible abuse or neglect at an early stage. Our school may be the only secure, stable, and predictable element in their lives.
- St Thomas More Catholic Primary School will endeavour to support the welfare and safety of all Children through:
 - Ensuring that children and their welfare is of paramount importance.
 - All staff are trained and can recognise the signs and symptoms of abuse and are aware of the school's procedures and lines of communication.
 - Ensuring that children and their mental and physical health or development is not impaired.
 - Providing children, a balanced curriculum including PSHE (Personal, Social and Health Education); HRE (Health & Relationship Education) to help children stay safe, recognise when they do not feel safe and identify who they might / can talk to.
 - Work with parents to ensure that parents understand the school's responsibility to ensure the welfare of all children including the need for referral to other agencies in some situations.
 - Keep confidential records which are stored securely and shared appropriately with other professionals.
 - The voice of the child is evident in case files and informs schools policy developments.
 - Ensuring that the school practices safer recruitment processes in checking the suitability of staff, supply staff, volunteers, visitors/contractors, and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all our children at our school.

- St Thomas More Catholic Primary School expects that if any member of our community has a safeguarding concern about any child or adult, they will act immediately.
- This policy is implemented in accordance with our compliance with the statutory guidance from the Department for Education, 'Keeping Children Safe in Education' 2022 (KCSIE) which requires individual schools and colleges to have an effective child protection policy.
- The procedures contained in this policy apply to all staff, including governors, temporary or third-party agency staff and volunteers and are consistent with those outlined within KCSIE 2022.

Policy Context

- This policy has been developed in accordance with the principles established by the Children Acts 1989 and 2004 and related guidance. This includes:
 - DfE Keeping Children Safe in Education 2022(KCSIE)
 - Working Together to Safeguard Children 2018 (WTSC)
 - Ofsted: Education Inspection Framework 2019
 - Framework for the Assessment of Children in Need and their Families 2000
 - Kent and Medway Safeguarding Children Procedures (Online)
 - Early Years and Foundation Stage Framework 2021 (EYFS)
 - The Education Act 2002
 - The Education (Independent School Standards) Regulations 2014
 - The Non-Maintained Special Schools (England) Regulations 2015
- [Sections 175 and 157 of the Education Act 2002](#) require school governing bodies, proprietors, local education authorities and further education institutions to make arrangements to safeguard and promote the welfare of all children who are children at a school, or who are students under 18 years of age. Such arrangements will have to have regard to any guidance issued by the Secretary of State.
- St Thomas More Catholic Primary School put measures in place to fully safeguard children in response to coronavirus (Covid-19), in accordance with KCSIE 2021 and related government guidance. We will continue to follow government guidance and continue to review safeguarding procedures and amend this policy to support the response to the pandemic if necessary.

Definition of Safeguarding

- Safeguarding children is defined in Keeping Children Safe in Education 2022 as:
 - **protecting children from maltreatment**
 - **preventing impairment of children's mental and physical health or development**
 - **ensuring that children are growing up in circumstances consistent with the provision of safe and effective care**
 - **taking action to enable all children to have the best outcomes (children includes everyone under the age of 18)**
- St Thomas More Catholic Primary School acknowledges that safeguarding includes a wide range of specific issues including (but not limited to):
 - Abuse and neglect
 - Bullying, including cyberbullying

- Children with family members in prison
- Children Missing Education (CME)
- Child missing from home or care
- Child Sexual Exploitation (CSE)
- Child Criminal Exploitation (CCE)
- Contextual safeguarding (risks outside the family home)
- County lines and gangs
- Domestic abuse
- Drugs and alcohol misuse
- Fabricated or induced illness
- Faith abuse
- Gender based abuse and violence against women and girls
- Hate
- Homelessness
- Human trafficking and modern slavery
- Mental health
- Nude or semi-nude image sharing, aka youth produced/involved sexual imagery or “Sexting”
- Online safety
- Child-on-child abuse
- Preventing radicalisation and extremism
- Private fostering
- Relationship abuse
- Serious Violence
- Sexual Violence and Sexual Harassment
- So-Called honour-based abuse including Female Genital Mutilation (FGM) and forced marriage
- Upskirting

(Also see Annex B within ‘Keeping Children Safe in Education’ 2022 p.139)

Policy Compliance, Monitoring and Review

- St Thomas More Catholic Primary School will review this policy at least annually. The policy will be revised following any national or local policy updates, any significant national events, local child protection concerns and/or any changes to our procedures.
- The Governing Body has strategic leadership responsibility for safeguarding arrangements at St Thomas More Catholic Primary School to ensure that the school complies with their duties under legislation. They ensure policies, procedures and training in the school is effective and complies with the law at all times
- The Designated Safeguarding Leads/Headteacher will ensure regular reporting on safeguarding activity and systems in school to the Governing Body. The Governing Body will not receive details of individual situations or identifying features of families as part of their oversight.
- This policy is available on our school website and is available on request from the school office. We also inform parents and carers about this policy when their children join our school and through our school newsletter.

Key Responsibilities

Governing Body

- The Governing Body and staff have read, understood and will follow Keeping Children Safe in Education 2022.
- The Governing Body and leadership team have a strategic responsibility for our safeguarding arrangements and will comply with their duties under legislation.
- The Governing Body will ensure that all governors receive appropriate safeguarding and child protection (including online and Prevent) training at induction. This training will be regularly updated. This training will equip them with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place are effective and support the delivery of a robust whole school approach to safeguarding.
- Sinead Joshi and Christine Flood are the nominated governors for safeguarding, who will take the lead role in ensuring that the school has an effective policy which interlinks with related policies; that locally agreed procedures are in place and being followed; and that the policies are reviewed at least annually and when required.
- The Governing Body will ensure they facilitate a whole school approach to safeguarding. This means ensuring safeguarding and child protection are at the forefront and underpin all relevant aspects of process and policy development. Ultimately, all systems, processes and policies should operate with the best interests of the child at their heart.
 - The Governing Body will regularly review the effectiveness of school filters and monitoring systems. They will ensure that the leadership team and relevant staff are:
 - aware of and understand the systems in place
 - manage them effectively
 - know how to escalate concerns when identified
- The Governing Body, Headteacher and Leadership Team will ensure that the DSL is suitably supported in their role and has the appropriate status, authority, funding, resources, and training and is assured that the DSL understands they have the responsibility in leading safeguarding and child protection across the school.

Designated Safeguarding Lead (DSL)

- The Designated Safeguarding lead will carry out their roles in accordance with Keeping Children Safe in Education 2022.
- The school has appointed Paula Le Breton (Deputy Headteacher) and Victoria Ebdon (Headteacher) as the Designated Safeguarding Leads (DSLs) who are members of the senior leadership team. The DSL has the overall responsibility for the day-to-day oversight of safeguarding and child protection systems in school.
- St Thomas More Catholic Primary School has appointed Jody Deamer (Pastoral Manager) as a Deputy DSL who will have delegated responsibilities and act in the DSL's absence.
- Whilst the activities of the DSL may be delegated to the deputies, the ultimate **lead responsibility** for safeguarding and child protection remains with the DSL and this responsibility will not be delegated.
- The Designated Safeguarding Lead and any deputies will undergo appropriate training to provide them with the knowledge and skills required to carry out their role.
- The Headteacher will be kept informed of any significant issues by the DSLs.

- The DSL and any deputy DSL's training will be updated formally every **two years**, but their knowledge and skills will be updated through a variety of methods (e-bulletins, conferences, local meetings, safeguarding training, other training provided by the local authority etc.) at regular intervals and **at least annually**, to keep up with any developments relevant to their role.
- Availability - during term time the DSL (or a DDSL) will always be available (during school hours) for school staff to discuss any safeguarding concerns. Adequate and appropriate cover arrangements will be made for any out of hours/out of term activities. During school holidays, the DSL will provide appropriate emergency contact details to the MASH Education Lead on the understanding that these will only be used if absolutely necessary and will not be shared elsewhere.
- **It is the role of the DSL to:**
 - Act as main contact point for all school staff to discuss any safeguarding concerns.
 - Manage and maintain the confidential paper/electronic case management systems to record concerns about children to ensure the quality of information is accurate, proportionate, and timely, also assessment/referrals are made appropriately.
 - Coordinate safeguarding action for individual children. In the case of children in care, the DSL should have the details of the child's social worker and the name of the virtual school head in the authority who looks after the child (with the DSL liaising closely with the designated teacher.)
 - Liaise with the Headteacher to inform them of issues - especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations. This includes being aware of the requirement for children to have an Appropriate Adult. Further information can be found in the Statutory guidance - [PACE Code C 2019](#)
 - To liaise with safeguarding partners, other agencies, and staff in line with KCSIE 2022 and WTSC 2018.
 - Ensure that Medway referral procedures are followed as necessary (see referral process page 2).
 - As required represent and liaise appropriately with other professionals and ensure the school is represented at multi agency safeguarding meetings (including child protection conferences).
 - Act as a source of support, advice and expertise for all staff during term time for staff in the school to be able to discuss any safeguarding concerns.
 - Understand the importance of information sharing both within the school and with other schools and agencies.
 - To encourage a culture of listening to children and taking account of their wishes and feelings, among all staff this will assist with any measures the school may put in place to protect them.
 - Ensure all staff access appropriate safeguarding training and relevant updates in line with the recommendations within Keeping Children Safe in Education 2022

For further details and information about the DSL role please refer to KCSIE 2022 **Annex C p.161**

Members of Staff

- **All members of staff have a responsibility to:**
 - Provide a safe environment in which children can learn and promote their welfare
 - Maintain an attitude of **'it could happen here'** where safeguarding is concerned and to always act in the best interests of the child
 - Understand the early help process and their role in it.

- Be aware of the indicators of abuse including online and neglect so that they can identify cases of children who may be in need of help or protection.
- Understand that children may not feel ready to, or know how to, tell someone they are being abused, exploited or neglected and/or that they may not recognise their experiences as harmful. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. They may feel embarrassed, humiliated or be being threatened. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns any about a child.
- Consider wider environmental factors in a child's life that may be a threat to their safety and/or welfare.
- Be aware of the process of making referrals to children's social care and statutory assessment under the Children Act 1989.
- Know what to do if a child tells them that he or she is being abused or neglected and understand the impact abuse and neglect can have upon a child.
- Know how to maintain an appropriate level of confidentiality.
- Understand and comply with this policy and understand other safeguarding policies and systems.
- To undertake regular and appropriate training which is regularly updated.
- Be aware of and take appropriate action to raise concerns regarding poor or unsafe practice or potential failures in the school safeguarding regime. (This may include accessing the school whistleblowing policy)

Children and Young People

- **Children and young people (Children) have a right to:**
 - Contribute to the development of school safeguarding policies.
 - Report abuse confidently knowing concerns will be taken seriously and that they will be listened to and effective action will be taken.
 - Seek help from a trusted adult and feel listened to.
 - Learn how to keep themselves safe by recognising when they are themselves at risk and how to get help when they need it, including online.

Parents and Carers

- **Parents/carers have a responsibility to:**
 - Work in partnership with the school to safeguard and promote the welfare of child/ren and understand statutory responsibilities in this area.
 - Read and adhere to the relevant school/policies and procedures.
 - Talk to their children about safeguarding issues including online safety with their children & support the school in their safeguarding approaches.
 - Identify behaviours which could indicate that their child is at risk of harm including online
 - Seek help and support from the school, or other appropriate agencies.
- We are committed to working with parents positively, openly, and honestly. We ensure that all parents are treated with respect, dignity, and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission, or it is necessary to do so to safeguard a child/ren.

However, the welfare and safety of Children is the responsibility of all staff in school and ANY concern for a Child welfare MUST be reported to the Designated Safeguarding Lead.

Recognising Indicators of Abuse and Neglect

- As a school we are aware that abuse, neglect and safeguarding issues are rarely individual events that can be covered by one definition or label. In most cases, multiple issues will overlap with one another, for further guidance: [Responding to Abuse and Neglect](#) . This is outlined locally with the Medway Threshold Guidance
- Knowing what to look for is vital to the early identification of abuse and neglect. If staff are unsure, they should always speak to the Designated Safeguarding Lead (or a deputy).
- All staff in school should be aware of the definitions and indicators of abuse and neglect. There are four categories of abuse:
 - **Physical abuse:** a form of abuse, which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child.
 - **Emotional abuse:** the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development.
 - **Sexual abuse:** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening.
 - **Neglect:** the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

The most up to date definitions and possible indicators and signs of abuse are found in Appendix 1 of this document. Staff should also refer to [What to do if you are worried a child is being abused 2018](#).

- All staff should be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school or college and/or can occur between children outside of these environments. Indicators of abuse and neglect do not automatically mean a child is being abused however all concerns should be taken seriously and explored by the DSL on a case-by-case basis.
- The warning signs and symptoms of child abuse and neglect can vary from child to child. Children also develop and mature at different rates, so what appears to be worrying behaviours for a younger child might be normal for an older child.
- St Thomas More Catholic Primary School recognises that some children have additional or complex needs and may require access to intensive or specialist services to support them.

- All staff, but especially the Designated Safeguarding Lead (and deputies) should consider whether Children are at risk of abuse or exploitation in situations outside their families. **Extra-familial harms** take a variety of different forms and Children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence.
- Parental behaviours may also indicate child abuse or neglect, so staff should also be alert to parent-child interactions or concerning parental behaviours; this could include parents who are under the influence of drugs or alcohol or if there is a sudden change in their mental health.
- Children may report abuse happening to themselves, their peers or their family members. All reports made by children to staff will be taken seriously and will be responded to in line with this policy.
- By understanding the warning signs, we can respond to problems as early as possible and provide the right support and services for the child and their family. It is important to recognise that a warning sign does not automatically mean a child is being abused.

Specific Safeguarding Issues

- St Thomas More Catholic Primary School is aware of environmental factors which may impact on a child's welfare and safety and understand safeguarding in the wider context.
- St Thomas More Catholic Primary School staff are mindful that early information sharing is vital for the effective identification, assessment, and allocation of appropriate service provision, whether this is when problems first emerge, or where a child is already known to local authority Children's social care (such as a child in need or a child with a protection plan).
- All staff should have an awareness of safeguarding issues that can put children at risk of harm. Behaviours linked to issues such as drug taking, alcohol abuse, deliberately missing education, and sharing nudes or semi-nude images (also known as youth produced sexual imagery) put children in danger. The categories/issues that follow are by no means an exhaustive list but gives an indication of the current themes in safeguarding and protecting Children.

Child-on-Child Abuse

- St Thomas More Catholic Primary School recognises that children are capable of abusing their peers. This referred to as child-on-child abuse and can take many forms.
- St Thomas More Catholic Primary School will not tolerate, dismiss or minimise any harmful behaviours in school and will take swift action to intervene when this occurs. All allegations of child-on-child abuse will be recorded, investigated, and dealt with in line with associated policies.
- St Thomas More Catholic Primary School believes that abuse is abuse and it will never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up". All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.
- Staff and leadership recognise that that some child-on-child abuse issues may be affected by gender, age, ability and culture of those involved, (i.e. for gender-based abuse, girls

are more likely to be victims and boys more likely to be perpetrators) however, all child-on-child abuse is unacceptable and all reports will be taken seriously.

- Alleged victims, perpetrators and any other child affected by child-on-child abuse may be supported by promoting our golden rules, restorative justice practice, working with parents/carers and reviewing educational approaches.
- St Thomas More Catholic Primary School recognises that child-on-child abuse can take many forms, including but not limited to:
 - bullying, including cyberbullying
 - physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm
 - sexual violence and sexual harassment
 - 'upskirting', which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm
 - nude or semi-nude image sharing (also known as 'sexting' or youth produced/involved sexual imagery)
 - initiation/hazing type violence and rituals
- If one child or young person causes harm to another, this should not necessarily be dealt with as abuse: bullying, fighting and harassment between children are not generally seen as child protection issues. However, it may be appropriate to regard a young person's behaviour as abusive if:
 - There is a large difference in power (for example age, size, ability, development) between the young people concerned; or
 - The perpetrator has repeatedly tried to harm one or more other children; or
 - There are concerns about the intention of the alleged young person; or
 - There is inappropriate touching/actions or use of explicit words and phrases

If the evidence suggests that there was an intention to cause severe harm to the victim, this should be regarded as abusive whether or not severe harm was actually caused.

Prevention

- As a school we will minimise the risk of allegations against other children by:
 - Providing developmentally appropriate PSHE/RHE/RE lessons which develops children's understanding of acceptable behaviour and keeping themselves safe including assemblies and workshops delivered by NSPCC such as teaching children about the 'Pants Rule'
 - Having robust safety lessons which develops child knowledge, understanding and skills to ensure personal safety and self-protection when using the internet and social networking
 - Having robust behaviour, monitoring and filtering systems in places to ensure children are safe and act appropriately when using information technology in school
 - Having systems in place for any child to raise concerns with staff, knowing that they will be listened to, believed and valued
 - Delivering targeted work on assertiveness and keeping safe to those children identified as being at risk
 - Developing robust child action plans and providing targeted work for children identified as being a potential risk to other children
 - Keeping up to date with the latest Keeping Children Safe in Education document

Allegations against other Children which are safeguarding issues

- Occasionally, allegations may be made against children by other young people in the school, are of a safeguarding nature. Safeguarding issues raised in this way may include physical abuse, emotional abuse, sexual abuse, teenage relationship abuse and sexual exploitation, bullying, cyber bullying and sexting. It should be considered as a safeguarding allegation against a child if some of the following features are present.

The allegation:

- Is made against an older child and refers to their behaviour towards a younger child or a more vulnerable child
- Is of a serious nature possibly including a criminal offence
- Raises risk factors for other Children in the school
- Indicates that other Children may have been affected by this child
- Indicates that young people outside the school may be affected by this child

Procedures for dealing with allegations of child-on-child abuse

- When an allegation is made by a child against another child, members of staff should consider whether the complaint raises a safeguarding concern. If there is a safeguarding concern, the Designated Safeguarding Lead (DSL) should be informed.
- All members of staff will regularly monitor children's behaviour and any changes in behaviour, appearance, use of/change in language which is inappropriate and their well-being. Records will be kept and monitored by the class teacher and regularly discussed with the Designated Safeguarding Lead and Headteacher.

Child on Child Sexual Violence or Harassment

- St Thomas More Catholic Primary School follows the guidance outlined in part five of KCSIE 2022 which has now merged with the content of DfE guidance '[Sexual Violence and Sexual Harassment Between Children in Schools and Colleges](#)'. When responding to concerns relating to child-on-child sexual violence or harassment
 - If DSLs are unsure how to proceed, advice will be sought from the Education Safeguarding Service.
- St Thomas More Catholic Primary School recognises that staff must be vigilant and recognise that information may come from overheard conversations or observed behaviour changes.
- It is essential that all victims of sexual violence or sexual harassment are reassured that they are being taken seriously and that they will be supported and kept safe. A victim will never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment or be made to feel ashamed for making a report.
- Immediate consideration will be given as to how best to support and protect the victim and the alleged perpetrator (and any other children involved/impacted).
- When there has been a report of sexual violence or harassment, the DSL will make an immediate risk and needs assessment which will be considered on a case-by-case basis. The risk and needs assessment will be recorded and kept under review and will consider the victim (especially their protection and support), the alleged perpetrator, and all other children and staff and any actions that are required to protect them.

- Where possible KCSIE 2022 recommends that two members of staff manage reports of sexual violence and harassment.
- Reports will initially be managed internally by the Headteacher at St Thomas More Catholic Primary School and where necessary will be referred to Integrated Children's Services and/or the Police.
- The decision making and required action taken will vary on a case by case basis, but will be informed by the wishes of the victim; the nature of the alleged incident (including whether a crime may have been committed); the ages and developmental stages of the children involved; any power imbalance between the children; if the alleged incident is a one-off or a sustained pattern of abuse; if there are any ongoing risks to the victim, other children or staff; and, any other related issues or wider context.
- We will reassure and teach our Children to understand that the law is in place to protect Children and young people rather than criminalise them.
- St Thomas More Catholic Primary School will regularly review decisions and actions to update and improve policies and practice.
- The school will consider the physical and mental health implications for both the victim and perpetrator. It is identified that both individuals will need additional support and provision of further information about harmful sexual behaviours and may need signposting to further sources of support.

Nude and/or Semi-Nude Image Sharing by Children

- DSLs will respond to concerns as set out in the non-statutory UKCIS guidance: [Sharing nudes and semi-nudes: advice for education settings working with Children and young people](#) (Updated December 2020)
- The term 'sharing nudes and semi-nudes' is used to mean the sending or posting of nude or semi-nude images, videos or live streams of/by young people under the age of 18. Creating and sharing nudes and semi-nudes of under-18s (including those created and shared with consent) is illegal which makes responding to incidents complex.
- When made aware of concerns involving nude or semi-nude image taking/sharing involving Children, staff are advised to:
 - Report any concerns involving nude or semi-nude image sharing involving children to the DSL immediately.
 - Never view, copy, print, share, store or save the imagery, or ask a child to share or download it – this may be illegal. If staff have already viewed the imagery by accident (e.g., if a child has shown it to them), this will be immediately reported to the DSL.
 - Not delete the imagery or ask the young person to delete it.
 - Not say or do anything to blame or shame any children involved.
 - Explain to child(ren) involved that they will report the issue to the DSL and reassure them that they will receive appropriate support and help.
 - Not ask the child or children involved in the incident to disclose information regarding the imagery and not share information about the incident with other members of staff, the child(ren) involved or their, or other, parents and/or carers. This is the responsibility of the DSL.

- St Thomas More Catholic Primary School recognises that nude and semi-nude image sharing (also known as youth produced/involved sexual imagery or “sexting”) is a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy).
- The DSL will hold an initial review meeting with appropriate staff and will speak with the children involved if appropriate.
- Parents and carers will be informed at an early stage and involved in the process to best support children, unless there is good reason to believe that involving them would put a child at risk of harm.
- A referral will be made to Children’s Services and/or the police immediately if:
 - the incident involves an adult (over 18).
 - there is reason to believe that a child has been coerced, blackmailed or groomed, or there are concerns about their capacity to consent (for example, age of SEND).
 - the image/videos involve sexual acts and a child under the age of 13, depict sexual acts which are unusual for the child’s developmental stage, or are violent.
 - a child is at immediate risk of harm owing to the sharing of nudes and semi-nudes.
- All decisions will be recorded in line with our child protection procedures and will be based on the consideration of the best interests of any child involved. The DSL may choose to involve other agencies at any time if further information/concerns are disclosed at a later date.
- If DSLs are unsure how to proceed, advice will be sought from the Education Safeguarding Service.

Gangs, County Lines, Serious Violence, Crime and Exploitation

- St Thomas More Catholic Primary School acknowledges the impact of gangs, county lines, serious violence, crime and exploitation. Any concerns regarding gangs, county lines, serious violence, crime and exploitation will be reported and responded to in line with other child protection concerns.
 - The initial response to child victims is important and staff will take any allegations seriously and work in ways that support children and keep them safe.

Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

- St Thomas More Catholic Primary School recognises both CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity.
- Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. In some cases, the abuse will be in exchange for something the victim needs or wants and/or will be to the financial benefit or other advantage (such as increased status) of the perpetrator or facilitator.
- The abuse can be perpetrated by individuals or groups, males or females, and children or adults. The abuse can be a one-off occurrence or a series of incidents over time and range from opportunistic to complex organised abuse. It can involve force and/or enticement-based methods of compliance and may, or may not, be accompanied by violence or threats of violence. Victims can be exploited even when activity appears consensual, and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

- Sexual exploitation can be difficult to spot and sometimes mistaken for "normal" teenage behaviour. Knowing the signs can help protect children and help them when they have no one else to turn to. To support in identifying the signs of child sexual exploitation please refer to the [Exploitation Identification – Toolkit Kent and Medway](#) and [the MSCP Risk Assessment tool for sexually active young people](#).

Gangs, County Lines and Serious Violence

- Criminal exploitation of young and vulnerable people is a common feature in the facilitation of county lines drugs supply, whether for the storage or supply of drugs, the movement of cash, or to secure the use of dwellings held by vulnerable people in the rural market place this is commonly referred to as cuckooing.
- All staff have been trained and recognise the need to be vigilant for the signs and aware of risk factors which may increase the likelihood of involvement in serious violence, exploitation, and gang activity including but not limited to:
 - Being male – however girls who are exploited can be very different to that of boys, indicators may not be the same, but professionals need to be aware that girls are just as much at risk as boys.
 - Children who associate with other young people involved in exploitation
 - Children who go missing for periods of time or regularly come home late
 - Change in friendships/relationships with others/groups
 - Having been frequently absent or permanently excluded from school
 - having experienced child maltreatment
 - Unexplained gifts/new possessions – these can indicate children have been approached by/involved with individuals associated with criminal networks/gangs.
 - Signs of self-harm/significant change in wellbeing
 - having been involved in offending, such as theft or robbery

Further advice for schools and colleges is provided in the [Home Office's Preventing youth violence and gang involvement](#) and its [Criminal exploitation of Children and vulnerable adults: county lines guidance. County Lines Toolkit For Professionals](#) - The Children's Society in partnership with Victim Support and National Police Chiefs' Council.

- Where an exploitation concern has been identified, the form linked below is to be used to provide intelligence to the police to get a better understanding of local exploitation concerns and issues.
 - Through this portal you can report **Perpetrators** of child exploitation, **Places and Spaces** where Child Exploitation is suspected of taking place and **vehicles** believed to be connected to be exploiting Children. Please use the link to - [Report an Exploitation Concern Online](#).

This is for Child Exploitation specifically. F or general vulnerability concerns, they still need to be reported directly to the police in the usual way (101 or 999).

Please note, this portal is also not suitable for reporting crime as is not monitored 24/7.

- St Thomas More Catholic Primary School will make referrals to Children's Social Care and the police should we have reason to believe a student has become involved in this activity.

Mental Health

- St Thomas More Catholic Primary School will ensure that all staff have an awareness of mental health problems and be aware in some cases, that it can be an indicator that a child has suffered or is at risk of suffering abuse, neglect, or exploitation. Staff are aware of how children's experiences, can impact on their mental health, behaviour, and education.
- Where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences (ACES), this can have a lasting impact throughout childhood, adolescence and into adulthood. It is important that staff are aware of how these children's experiences, can impact on their mental health, behaviour, and education.
- Only appropriately trained professionals should attempt to make a diagnosis of a mental health problem. Staff however, are '**well placed**' to identify behaviour suggestive of a mental health problem or being at risk of developing one. The Headteacher is a Trauma Informed Practitioner.
- If staff have a mental health concern about a child that is also a safeguarding concern, immediate action should be taken, following their child protection policy, and speaking to the designated safeguarding lead or a deputy.

Online Safety & Acceptable Use

- It is recognised by St Thomas More Catholic Primary School that the use of technology presents challenges and risks to children and adults both inside and outside of school.

Filtering & Monitoring

- St Thomas More Catholic Primary School will work with technical staff to ensure that appropriate filtering and monitoring systems are in place on school equipment and systems used by children and staff, provide technical support and implement appropriate security measures to ensure the school's IT infrastructure/system is secure and not open to misuse or malicious attack. Filtering and monitoring are an important part of school's online safety responsibilities, but they are only one part of our approach to online safety. Children and adults may have access to systems external to the school control, such as mobile phones and other internet enabled devices and technology. Where concerns are identified, appropriate action will be taken.
- The school has identified the most critical parts of the school's digital estate to ensure security, backup and restoration. The following controls are in place; boundary firewalls and internet gateways, web proxy, web filtering and content checking, malware protection, patch management, whitelisting and execution control, secure configuration, password policy, user access control. Educational broadband connectivity is through Medway Grid for Learning which blocks site which can be categorized as; pornography, racial hatred, extremism, gaming and sites of illegal nature. The filtering system blocks all sites on the Internet Watch Foundation (IWF) list. [URL List | IWF](#)
- In the event of a cyber incident, the school will contact www.-actionfraud.police.uk or call 0300123 2040. For more information about cyber security go to: [What we do - NCSC.GOV.UK](#)

Use of Technology

- The use of technology has become a significant component of many safeguarding issues. With child exploitation; radicalisation; sexual predation, bullying for example, technology often provides the platform that facilitates harm.
- St Thomas More Catholic Primary School will empower, protect and educate the community in their use of technology and establish mechanisms to identify, intervene in, and escalate any incident where appropriate.
- The DSL has overall responsibility for online safeguarding within the school but will liaise as necessary with other members of staff. The DSL and leadership team have read, understood and acted upon all guidance regarding Online Safety within 'Keeping Children Safe in Education' 2022.
- St Thomas More Catholic Primary School identifies the breadth of issues within online safety can be considerable, but they can be broadly categorised into four areas of risk:
 - **Content:** being exposed to illegal, inappropriate or harmful material
 - **Contact:** being subjected to harmful online interaction with other users
 - **Conduct:** personal online behaviour that increases the likelihood of, or causes, harm.
 - **Commerce** – being exposed to online gambling, inappropriate advertising, phishing and or financial scams.
- St Thomas More Catholic Primary School uses a wide range of technology. This includes computers, laptops, mobile phones, tablets and other digital devices, the internet, our learning platform and email systems. All members of staff have access to appropriate, regular and up-to-date online safety information annually as part of their safeguarding training through the National Online Safety platform. Staff take responsibility for the security of school systems and the data they use, or have access to, embed online safety within the curriculum and know how to identify, report and escalate online safety concerns. Staff are responsible for keeping their unique username and passwords private.

Social Media Use

- Staff will be aware that their online conduct out of school, including personal use of social media, could have an impact on their professional role and reputation with school. Staff are advised not to publish specific and detailed private thoughts, concerns, pictures or messages on any personal social media services, especially content that may be considered threatening, hurtful or defamatory to the school or others. Civil, legal or disciplinary action may be taken if they are found to bring the profession or institution into disrepute, or is felt to have undermined confidence in professional abilities. The use of social media during school hours for personal use **is not** permitted for children or staff.
- Concerns regarding the online conduct of any member of staff on social media, should be reported to the Headteacher and will be managed in accordance with school policies. It is recommended that staff do not identify themselves as employees of St Thomas More Catholic Primary School on their personal social networking accounts. This is to prevent information on these sites from being linked with the school and to safeguard the privacy of staff members.
- Staff will not use personal social media accounts to make contact with children or parents, nor should any contact be accepted, except in circumstance whereby prior approval has been given by the Headteacher. Any communication from children and parents received on personal social media accounts will be reported to the Headteacher.

Mobile Phones, Website & Emails

- Staff will be aware that school systems are monitored and activity can be traced to individual users; staff will behave professionally and in accordance with school policies and the Code of Conduct. Staff will not use personal mobile phones within the classroom for educational purposes but will use school owned devices. Staff will always evaluate websites, tools and apps fully before use in the classroom or when recommending for use at home.
- St Thomas More Catholic Primary School will ensure that information posted including images and videos on the website and social media meets the requirements as identified by the Department of Education (DfE) and Ofsted. The school will ensure that the website complies with guidelines for publications including; accessibility; data protection; respect for intellectual property rights; privacy and copyright.
- Access to school email systems will always take place in accordance with Data protection legislation. Spam or junk mail will be blocked and reported to the email provider. Sensitive or personal information will only be sent using secure and encrypted emails. School email addresses and other official contact details will not be used for setting up personal social media accounts. Offensive communication will be reported to the Headteacher. Access to external personal email accounts may be blocked. Staff must only use their school email address for work related communication.
- Children will use school provided email accounts for educational purposes and will receive education regarding safe and appropriate email etiquette before access is permitted.
- Parents and carers may use mobile phone, electronic devices under the guidance of the Headteacher, for example, recording a performance by their child, taking photographs during events and must be respectful at all times to others. Parents must not take photos or videos of other children unless permission has been sought by the parent and must not post photographs or videos on social media website.
- Parents and carers must not use mobile phones within the classroom when attending 'Bring Your Parent to...' sessions. Staff will approach any parent failing to follow these instructions and they may be asked to leave the premises.
- Children's personal mobile phones will be stored in the office during the day and given back at the end of the day.
- School mobile phones will not be used at any time by children during the school day. Personal mobile phones or personal devices will not be used at any time by children during the school day. If there is suspicion that material on a child or staff personal device may be illegal or may provide evidence relating to a criminal offence, the device will be handed over to the police for further investigation. Any complaint about staff misuse will be referred to the Headteacher, according to the allegations policy and will be discussed with LADO (Local Authority Designated Officer).
- Virtual meetings such as Teams/Zoom must be carried out using school equipment. Users must ensure that consent from participants is given to record. All recordings must be stored securely. All information discussed will remain confidential and staff will act professionally at all times.

Learning Platforms & Online Teaching Resources

- St Thomas More Catholic Primary School uses Class Dojo as its official learning platform for Years 1 to 6 and Tapestry for Early Years Foundation Stage. Staff will monitor usage of the learning platforms in all areas, in particular, message and communication tools and

publishing facilities. Only current staff members, children and parents will have access to the learning platforms. All users will be mindful of copyright and will only upload appropriate content. Any staff member deemed to be using the learning platform inappropriately or offensively will be removed by the site administrator and any breach of conduct will be dealt with.

- Children will have access to educational resources such as Purple Mash, My Maths and Accelerated Reader throughout the school.
- The Headteacher is ultimately responsible for the security of any data or images held of children. As such, they will ensure that the use of tracking systems is used appropriately and in accordance with data protection legislation. School devices will be appropriately encrypted if taken off site, to reduce the risk of data security breach, in the event of loss or theft.

Curriculum

- St Thomas More Catholic Primary School will ensure a comprehensive whole school curriculum is developed and in place to enable and equip all children with the knowledge needed to make the best use of the internet and technology in a safe, considered and respectful way, so they are able to reap the benefits of the online world and manage the risks effectively.
- Children will engage in age appropriate online safety education opportunities, respect the feelings and rights of others both on and offline, take responsibility for keeping themselves and others safe and seek help from a trusted adult if there is a concern online. The school will support Children by displaying acceptable use posters in all rooms with internet access and refer to these when appropriate.
- Staff will ensure that vulnerable Children such as those with Special Educational Needs and Disabilities (SEND), mental health needs, those with English as an additional language, those experiencing trauma or loss, will seek input from specialist staff as appropriate, including the SENDCo and Computing Lead.
- Personal data will be recorded, processed, transferred and made available online in accordance with the Data Protection Act 1998. [Data Protection Act 1998 \(legislation.gov.uk\)](http://legislation.gov.uk)
- St Thomas More Catholic Primary School recognises that many children and parents will have unlimited and unrestricted access to the internet via mobile phones and other enabled devices, this is external to the school's control. Where concerns are identified appropriate action will be taken.
- Staff may find it helpful to access the **UK Council for Internet Safety (UKCIS) 'Education for a Connected World Framework'** and DfE 'Teaching online safety in school' **guidance.**

The school will also support parents and the wider school community (including all members of staff) to become aware and alert to the need to keep children safe online. All parents, staff and governors will have access to the National Online Safety platform. The DSL and Senior Leaders will respond to online safety concerns in line with this and other associated policies such as anti-bullying and behaviour.

- Internal sanctions and/or support will be implemented as appropriate.
- Where necessary, concerns will be escalated and reported to relevant partner agencies in line with local policies and procedures.

Where Children are asked to learn online at home in response to a full or partial closure:

- St Thomas More Catholic Primary School will ensure any remote sharing of information, communication and use of online learning tools and systems will be in line with privacy and data protection requirements.
- All communication with learners and parents/carers will take place using St Thomas More Catholic Primary School provided or approved communication channels; for example, St Thomas More Catholic Primary School provided email accounts and phone numbers and/or agreed systems e.g., Tapestry or Class Dojo
 - Any pre-existing relationships or situations which mean this cannot be complied with will be discussed with the DSL.
- Staff and learners will engage with remote teaching and learning in line with existing behaviour principles.
- Staff and learners will be encouraged to report issues experienced at home and concerns will be responded to in line with our child protection and other relevant policies.
- When delivering remote learning, staff will follow our Remote Learning Acceptable Use Policy (AUP).
- Parents/carers will be made aware of what their children are being asked to do online, including the sites they will be asked to access. St Thomas More Catholic Primary School will be informed who from the school their child is going to be interacting with online.
- Parents/carers will be encouraged to ensure children are appropriately supervised online and that appropriate parent controls are implemented at home.

Additional guidance for DSLs and SLT regarding remote learning is available at DfE: [Safeguarding and remote education during coronavirus \(COVID-19\)](#)

Children Missing Education (CME)

- All staff should be aware that children going missing, **particularly repeatedly**, can act as a vital warning sign of a range of safeguarding possibilities. This may include abuse and neglect, which may include sexual abuse or exploitation and child criminal exploitation. It may indicate mental health problems, risk of substance abuse, risk of travelling to conflict zones, risk of female genital mutilation or risk of forced marriage.
- Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in future.
- St Thomas More Catholic Primary School recognises that, when a child is not in school, children may be vulnerable to or exposed to other risks, so we work with parents and other partners to keep Children in school whenever possible.
- Staff should be aware of the school's Attendance Policy which is available on the staff shared server and on the website.

Domestic Abuse

- Domestic abuse is any type of controlling, bullying, threatening or violent behaviour between people in a relationship. Seeing, hearing or experiencing the effects of domestic abuse and/or experiencing it in their own intimate relationships, can have a serious, long lasting impact upon Children and is a form of child abuse.
- St Thomas More Catholic Primary School recognises that domestic abuse can encompass but is not limited to psychological; physical; sexual; financial; and emotional abuse.
- In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result.

So-called ‘Honour-Based’ Abuse

- So-called ‘honour-based’ abuse (HBA) encompasses incidents or crimes which have been committed to protect or defend the honour of the family and/or the community, including female genital mutilation (FGM), forced marriage, and practices such as breast ironing. Abuse committed in the context of preserving “honour” often involves a wider network of family or community pressure and can include multiple perpetrators.
- All staff need to be alert to the possibility of a child being at risk of HBA, or already having suffered HBA.
- If staff have a concern regarding a child that might be at risk of HBA or who has suffered from HBA, they should speak to the Designated Safeguarding Lead (or deputy). As appropriate, they will activate local safeguarding procedures, using existing national and local protocols for multi-agency liaison with police and Children’s social care. Where FGM has taken place, since 31 October 2015 there has been a **mandatory reporting duty** placed on **teachers** that requires a different approach (see following section).

Female Genital Mutilation (FGM):

- FGM comprises all procedures involving partial or total removal of the external female genitalia or other injury to the female genital organs. It is illegal in the UK and a form of child abuse with long-lasting harmful consequences.
- Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) places a **statutory duty** upon **teachers**, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. It will be rare for teachers to see visual evidence, and they should **not** be examining Children or students.
- The duty does not apply in relation to at risk or suspected cases (i.e., where the teacher does not discover that an act of FGM appears to have been carried out, either through disclosure by the victim or visual evidence). In these cases, teachers should follow local safeguarding procedures. The following is a useful summary of the FGM mandatory reporting duty [FGM Fact Sheet](#)
- Teachers **must** personally report to the police cases where they discover that an act of FGM appears to have been carried out. Unless the teacher has good reason not to, they should still consider and discuss any such case with the school’s Designated Safeguarding Lead (or deputy) and involve Children’s social care as appropriate.

Forced Marriage

- Forcing a person into a marriage is a crime in England and Wales. Forced marriages occur when either or both participants have been pressured into entering matrimony, without giving their free consent. It is not the same as an arranged marriage, which may have been set up by a relative or friend and has been willingly agreed to by the couple.
- St Thomas More Catholic Primary School recognises that some communities use religion and culture as a way to coerce a person into marriage. Sometimes violence, threats or any other form of coercion is used to cause a person to enter a marriage. Threats can be physical or emotional and psychological.
- Multi-agency statutory guidance for dealing with forced marriage, which can found at [The right to choose: government guidance on forced marriage](http://www.gov.uk/government/guidance/the-right-to-choose-government-guidance-on-forced-marriage) - GOV.UK (www.gov.uk) School and college staff can contact the Forced Marriage Unit if they need advice or information: Contact: 020 7008 0151 or email fm@fcdo.gov.uk.

Breast Ironing

- Breast flattening is a form of child abuse. See the CPS legal guidance on [Child Abuse](#)
- Breast Ironing is the process whereby young pubescent girls' breasts are ironed, massaged and/or pounded down using hard or heated objects in order for the breasts to disappear or delay the development of the breasts entirely. It is believed that by carrying out this act, young girls will be protected from harassment, rape, abduction and early forced marriage and therefore be kept in education
- There are potentially significant physical and psychological consequences and risks related to this practice. Breast flattening is a form of child abuse. Therefore, professionals must follow their Local Safeguarding Children's Board Procedures.

Preventing radicalisation

- The Counter Terrorism and Security Act 2015 placed a duty on specified authorities, which includes schools, to have due regard to the need to prevent people from being drawn into terrorism (the PREVENT duty). The school's work in promoting life in modern Britain and promoting Fundamental British Values (democracy; the rule of law; individual liberty; mutual respect for and tolerance of those with different faiths and beliefs and for those without faith) through the curriculum and pastoral programs underpins this strategy.
- Staff should be aware that there is no single way of identifying whether a child is likely to be susceptible to an extremist ideology. Background factors combined with specific influences such as family and friends may contribute to a child's vulnerability. Similarly, radicalisation can occur through many different methods (such as social media) and settings (such as the internet).
- The department has published advice for schools on the [Prevent duty](#). The advice is intended to complement the Prevent guidance and signposts other sources of advice and support.
- Every member of staff at St Thomas More Catholic Primary School recognises that children exposed to radicalisation and extremism is no different to safeguarding against any other vulnerability and should be approached in the same way as protecting children from other risks.
- All staff and governors should complete the [Prevent online Awareness training](#) package developed by the Home Office which includes guidance on how to identify people who

may be vulnerable to being drawn into terrorism, and how to refer them into the Channel process.

Looked after Children, previously looked after Children and care leavers

- St Thomas More Catholic Primary School acknowledges and understands the common reason for children becoming looked after is as a result of abuse and/or neglect and a previously looked after child potentially remains vulnerable.
- The school has a '[designated teacher](#)', Paula Le Breton, who works with local authorities to promote the educational achievement of registered children who are looked after or who have been previously looked after.
- The designated teacher will work with the DSLs to ensure appropriate staff have the information they need in relation to a child's looked after legal status, contact arrangements with birth parents or those with parental responsibility, care arrangements and the levels of authority delegated to the carer by the authority looking after them.
- St Thomas More Catholic Primary School understands their responsibility to inform the Local Authority via First Response of Private fostering arrangements when they believe that a child is being cared for as part of a private fostering arrangement (when a child under 16, or 18 if they are disabled is cared for and lives with an adult who is not a relative for 28 days or more).

Child Protection Procedures

- St Thomas More Catholic Primary School adheres to the MSCP Safeguarding Children Procedures. The full MSCP procedures and additional guidance relating to specific safeguarding issues can be found on the MSCP website <https://www.medwayscp.org.uk/mscb/>
- If staff have **any concerns** about a child's welfare, they should act on them immediately. See page 2 for a flow chart setting out the process for staff when they have concerns about a child.
- If a child is at risk of imminent danger or harm concerns will need to be referred by telephone to **First Response 01634 334466** and/or the police. **If it is an emergency the police need to be called on 999.**
- **If there are child protection concerns the role of the school is NOT to investigate but to recognise and refer.**
- **Less urgent concerns or requests for support will be referred to Children's Social Care and Early Help via the Medway online form ([the portal](#))**
- Once staff have spoken to the DSL the options the DSL will take will then include:
 - managing any support for the child internally via the school's own pastoral support processes.
 - a Family Solutions referral or Early Help Assessment
 - Make a referral for statutory services, for example as the child might be in need, is in need or suffering or likely to suffer harm.

- All information and actions taken including the reasons for any decision/actions made, will be fully documented on a child's record.
- All staff are aware of the process for making request for support referrals for statutory assessments under the Children Act 1989, along with the role they might be expected to play in such assessments.
- Wherever possible the school will share safeguarding concerns, or the intention to refer a child to Children's social care, with parents or carers. **However, staff will not do so where it is felt that to do so could place the child at greater risk of harm or impede a criminal investigation.** On occasions, it may be necessary to consult with First Response and/ or the police for advice on when to share information with parents/carers.
- If the DSL is not available to discuss an immediate and urgent concern, staff can seek advice from the Deputy DSL. They may also seek advice from the consultation from the **'No Name' consultation line in First Response (9:30-12:30) on 01634 33 1662.** If anyone other than the DSL makes a referral to external services, then they will inform the DSL as soon as possible.
- Staff may pass information about a child to the DSL but remain anxious about action subsequently taken. Staff should feel able to check the progress of a case with the DSL so that they can reassure themselves the child is safe and their welfare is being considered. If following this process, the staff member remains concerned it is the responsibility of that staff member to follow the school's escalation process.
- If a child's situation does not appear to be improving, then the DSL (or the person that made the request for support) will consider a re-referral.
- If, after a request for support or any other planned external intervention, a child's situation does not appear to be improving, the DSL will consider following [MSCP escalation procedures](#) to ensure their concerns have been addressed and, most importantly, that the child's situation improves. DSLs may request support with this via the Education Safeguarding Service.
- All members of staff are made aware of the internal and local Early Help/Family Solutions support services. Where a child is being offered or receiving Family Solutions support, staff will be supported to understand their role in any Early Help assessment or intervention. This includes identifying emerging problems, liaising with other professionals, and in some cases acting as the lead practitioner.
- The DSL will keep all Early Help cases under constant review and consideration will be given to a request for support to the First Response if the situation does not appear to be improving or is getting worse.
- St Thomas More Catholic Primary School is an [Operation Encompass School](#). This means we work in partnership with Kent Police to provide support to children experiencing domestic abuse. All staff know what Operation Encompass is and there is a clear process for managing notifications in school (including cover if a named individual is absent).
- **The child's wishes**
 - Systems should be in place for children to express their views and give feedback. Ultimately, all systems and processes should operate with the **best** interests of the child at their heart. **However, this should not prevent safeguarding action being taken, for the child or Children involved.**

Record Keeping

- Well-kept records are essential to good child protection practice. Our school is clear about the need to record any concern about a child or Children within our school and when these records should be shared with other agencies.
- All concerns, discussions and decisions made, and the reasons for those decisions, should be recorded in writing on the school's safeguarding system CPOMS (Child Protection Online Management System) by the DSLs or Senior Leaders. If in doubt about recording requirements, staff should discuss with the Designated Safeguarding Lead (or deputy).
- Child Protection records will record facts and not personal opinions. A body map will be completed if injuries have been observed.
- Records will be completed as soon as possible after the incident/event, using the child's words and will be signed and dated by the member of staff. If members of staff are in any doubt about recording requirements, they will discuss their concerns with the DSL.
- Yellow 'Record of Concern' forms can be found on the Staff Safeguarding Notice Board in the corridor towards the staff room. Staff will be encouraged to speak to a DSL immediately following a disclosure and then complete a Record of Concern form. This is to allow timely action to be carried out if a child could be at serious risk of harm.
- Information collected by staff members on the Record of Concern form will be transferred to CPOMS by the DSLs and checked or scanned and uploaded to the child personal records. Paper copies will be destroyed securely.
- Safeguarding records are kept for individual children and are maintained separately from all other records relating to the child in the school. Safeguarding records are kept in accordance with data protection legislation and are retained centrally and securely by the DSL. Safeguarding records are shared with staff on a 'need to know' basis only.
- All safeguarding records will be transferred in accordance with data protection legislation to the child's subsequent school/setting, under confidential and separate cover. These will be given to the new DSL where possible and a receipt of delivery will be obtained. Delivery receipts will be stored securely in the office.

Child protection files

- Where children leave the school or college (including in year transfers) the designated safeguarding lead will ensure their child protection file is transferred to the new school or college as soon as possible, and within 5 days for an in-year transfer or within the first 5 days of the start of a new term. This should be transferred separately from the main Child file, ensuring secure transit, and confirmation of receipt should be obtained.

Receiving schools and colleges should ensure key staff such as designated safeguarding leads and SENCOs, or the named person with oversight for SEN in colleges, are aware as required.

- In addition to the child protection file, the DSL should also consider if it would be appropriate to share any information with the new school or college in advance of a child leaving. For example, information that would allow the new school or college to continue supporting victims of abuse and have that support in place for when the child arrives.
- If a child is subject to a child protection plan or there are other ongoing concerns at the time of transfer, then it is recommended that the transferring DSL arranges to meet with

the receiving DSL in person to ensure there is effective transition and handover of information.

- Child protection files should always be kept by the education setting where the child is on role. Transferring settings do not need to keep copies of child protection files, but if there is reason to, they must be kept in accordance with data retention (see section 7). In cases where there may be ongoing involvement from transferring settings, for example if any siblings still attend your setting, DSLs may wish to take copies of chronologies etc.

Multi-agency Working

- St Thomas More Catholic Primary School identifies that they have a pivotal role to play in multi-agency safeguarding arrangements. Governing bodies and proprietors should ensure that the school or college contributes to multi-agency working in line with statutory guidance Working Together to Safeguard Children 2018.
- St Thomas More Catholic Primary School recognises and is committed to its responsibility to work within the MSCP multi-agency safeguarding arrangements. The leadership team and DSL will work to establish strong and co-operative local relationships with professionals in other agencies in line with statutory guidance.
- St Thomas More Catholic Primary School will endeavor to identify those Children and families who may benefit from the intervention and support of external professionals and will seek to enable referrals (in discussion with parents/carers) as appropriate.
- St Thomas More Catholic Primary School recognises the importance of multi-agency working and will support attendance at relevant safeguarding meetings, including Child Protection Conferences, Core Groups, Strategy Meetings, Child in Need meetings or other early help multi-agency meetings.

Confidentiality and Information Sharing

- St Thomas More Catholic Primary School expect all staff to treat information they receive about a child and young people in a highly discreet and confidential manner. Confidential information should **never** be used casually in conversation or shared with any person other than a on **'need to know basis'**.
- All members of staff must be aware that whilst they have duties to keep any information confidential, they also have a professional responsibility to share information with other agencies. St Thomas More Catholic Primary School recognises a duty to share relevant information with appropriate agencies in matters relating to child protection at the earliest opportunity as per statutory guidance outlined within KCSIE 2022.
- The Data Protection Act 2018 places a duty on organisations and individuals with regards to processing personal information fairly and lawfully. As a school we adhere to data protection, yet we do not allow this to stand in our way in the need to promote the welfare and protect the safety of our Children in our care. DfE "[Information sharing advice for safeguarding practitioners](#)" (2018) provides further detail.
- All staff must be aware that they cannot promise a child to keep secrets which might compromise the child's safety or wellbeing. In accordance with statutory requirements, where there is a child protection concern, this must be reported to the Designated

Safeguarding Lead and may require further referral and subsequent investigation by the appropriate authorities.

Complaints

- St Thomas More Catholic Primary School has a complaints procedure which can be found on the school website or on the staff shared server. As a school, we encourage children and families to raise complaints, concerns or comments with us. We have a robust internal investigation process.
- Whilst we encourage members of our community to report concerns and complaints directly to us, we recognise this may not always be possible. Children, young people, and adults who have experienced abuse at school can contact the NSPCC 'Report Abuse in Education' helpline on 0800 136 663 or via email: help@nspcc.org.uk
- Safeguarding concerns should be raised with school immediately. If a concern or a child is at immediate risk, then the individual needs to contact First Response 01634 334466 or the police on 101. All visitors are given a leaflet that outlines how to share concerns and code of conduct expected by visitors/contractors.
- All reported concerns will be taken seriously and considered within the relevant and appropriate process.
 - Anything that constitutes an allegation against a member of staff or volunteer will be dealt with in line with section 19 of this policy.

Staff Induction, Awareness and Training

- All members of staff have been provided with a copy of Part One of "*Keeping Children Safe in Education*" (2022) which covers Safeguarding information for all staff.
- School leaders including the DSL will read the entire document. School leaders and all members of staff who work directly with children will read Annex B within Keeping Children Safe in Education 2022.

All Members of staff have signed to confirm that they have read and understood Part One and Annex B or Annex A if deemed appropriate.

- The DSL will ensure that all new staff and volunteers (including agency and third-party staff) receive child protection training and information to ensure they are aware of the St Thomas More Catholic Primary School internal safeguarding processes as part of their induction.
- All staff undergo safeguarding and child protection training (including online safety and Prevent) at induction. The training is completed annually. Induction and training is in line with advice from the Medway Safeguarding Children Partnership.
- In addition to child protection training all members of staff receive regular safeguarding and child protection updates, for example, in-house monthly safeguarding bulletins, termly drop-in sessions, information disseminated at staff meetings, via email etc. as required,

and at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

- All staff members (including temporary/supply staff) will be made aware of the school's expectations regarding safe and professional through policies and procedures.
- Governing bodies and proprietors recognise the expertise staff build through undertaking safeguarding training and managing safeguarding concerns on a daily basis. Opportunity should therefore be provided for staff to contribute to and shape safeguarding arrangements and child protection policy.
- The DSL and Headteacher will provide a termly report to the Governing Body detailing safeguarding training undertaken by all staff and the School Business Manager will maintain an up-to-date register of who has been trained and have access to admin for the National Online Safety platform.
- St Thomas More Catholic Primary School has a nominated Safeguarding lead for the Governing Body, who ensures that all members of the Governing Body will access appropriate safeguarding training which covers their specific strategic responsibilities at induction and on a regular basis. Training will provide them with the knowledge to ensure their school's safeguarding policies and procedures are effective. This includes governors strategic responsibility for online safety.

Safe Working Practice

- All members of staff are required to work within clear guidelines on Safe Working Practice / the school's Code of Conduct. The DSL will ensure that all staff and volunteers have read the safeguarding and child protection policy and staff behaviour policy/code of conduct and understand that their behaviour and practice must be in line with it.
- Staff should be aware of the school's Relationship, Behaviour and Anti-Bullying policy, the Whistleblowing policy, Children with Medical Needs, First Aid and the Code of Conduct all of which can be found on the staff shared server policy file.
- A Positive Handling policy, and any physical interventions must be in line with agreed policy and procedures and national guidance.
- A list of staff that have accessed positive handling training will be kept by the Headteacher and School Business Manager and updated in-line with [use of reasonable force](#) DfE guidance. All incidents will be recorded in-line with guidance.
- If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff and have necessary checks completed. They will be expected to inform another member of staff of their whereabouts in school, who they are with, for how long. Doors, ideally, should have a clear glass panel in them and be left open.
- Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with Children. This advice can be found in [Guidance for safer working practice for those working with Children and young people in education settings May 2019](#) (Safer Recruitment consortium). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

Staff Supervision and Support

- Any member of staff affected by issues arising from concerns for children's welfare or safety can seek support from the DSL.
- The induction process will include familiarisation with child protection responsibilities and procedures to be followed if members of staff have any concerns about a child's safety or welfare.
- The school will provide appropriate supervision and support for all members of staff to ensure that:
 - All staff are competent to carry out their responsibilities for safeguarding and promoting the welfare of children
 - All staff will be supported by the DSL in their safeguarding role.
 - All members of staff have regular reviews of their own practice to ensure they improve over time.
- The DSL will also put staff in touch with outside agencies for professional support if they so wish. Staff can also approach organisations such as their Union, the Education Support Partnership or other similar organisations directly.

Safer Recruitment

- St Thomas More Catholic Primary School values the importance of developing a safe culture and is committed to ensure that all steps are taken to recruit staff and volunteers who are safe to work with our Children and staff.
- St Thomas More Catholic Primary School will use the recruitment and selection process to deter, identify and reject unsuitable candidates. We will ensure that detailed checks are carried out and evidence is provided e.g. criminal record checks (Disclosure and Barring Service (DBS) checks), barred list checks and prohibition checks, together with references and interview information this will aid the school in deciding about the suitability of the prospective employee. The school will consider carrying out an online search on shortlisted candidates to help identify any issues that are publicly available online.
- The Governing Body will ensure that at least one of the persons who conducts the interview has completed safer recruitment training. At all times the Headteacher and Governing Body will ensure that safer recruitment practices are followed in accordance with the requirements of *'Keeping Children Safe in Education'*, DfE (2022).
- Safer recruitment procedures will include the requirement for appropriate checks in line with national guidance (see: [Safeguarding Children and Safer Recruitment](#))
- The school maintains an accurate online Single Central Record (SCR) in line with statutory guidance.
- We are also committed to supporting the statutory guidance from the Department for Education on the application of the Childcare (Disqualification) Regulations 2009 and related obligations under the Childcare Act 2006 in schools.

- We advise all staff to disclose any reason that may affect their suitability to work with children including convictions, cautions, court orders, cautions, reprimands and warnings.
- Where the school places a learner with an alternative provision provider, the school will continue to be responsible for the safeguarding of that child. The school will undertake appropriate checks to ensure the provider meets the needs of the child, including written confirmation that appropriate safeguarding checks have been carried out on individuals working at the establishment.

Allegations Against Members of Staff, including Supply Staff, Contractors and Volunteers

- St Thomas More Catholic Primary School recognises that allegations sometimes arise from a differing understanding of the same event, but when they occur, they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children.
- All staff, contractors and volunteers should feel able to raise concerns about poor or unsafe practice and such concerns will always be taken seriously by the senior leadership team.
- St Thomas More Catholic Primary School understands the duty to refer to the LADO where it is alleged that anyone working in the school has:
 - behaved in a way that has harmed a child, or may have harmed a child.
 - possibly committed a criminal offence against or related to a child.
 - behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; or
 - behaved or may have behaved in a way that indicates they may not be suitable to work with children.
- In depth information regarding staff allegations can be found within our Allegations of Abuse procedures found on the staff shared server. All staff and volunteers should feel able to raise concerns about poor or unsafe practice and potential failures in the schools safeguarding regime. The leadership team at St Thomas More Catholic Primary School will take all concerns or allegations received seriously.
- If staff have safeguarding concerns, or an allegation is made about another member of staff (including volunteers/supply staff/visitors) posing a risk of harm to children, then:
 - Allegations should be referred immediately to the Headteacher or deputy in their absence who will first contact the Local Authority Designated Officer (LADO) to agree further action to be taken in respect of the child and staff member. Please refer to the Medway [LADO Leaflet](#) if you need further information.
 - In the event of allegations of abuse being made against the Headteacher then staff are advised that allegations should be reported to the Chair of Governors who will contact the LADO in the first instance.
 - Any member of staff or volunteer who does not feel confident to raise their concerns with the Headteacher or Chair of Governors should contact **the LADO directly on 01634 331065**.
 - The Headteacher or Chair of Governors will seek advice from the LADO within 24 hours of the alleged incident. No member of staff or the Governing Body will undertake further investigations before receiving advice from the LADO.

- Where Headteachers are unsure how to respond, for example if the school is unsure if a concern meets the harm 'thresholds', advice will be sought via the Local Authority Designated Officer (LADO). Enquiry Line and/or the Education Safeguarding Service has a legal duty to refer to the [Disclosure and Barring](#) Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left. The DBS will consider whether to bar the person.
 - If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR.

Concerns that do not meet the 'harms threshold'

- St Thomas More Catholic Primary school has clear reporting procedures for children, parents and other people to report concerns or complaints, including abusive or poor practice. We also acknowledge that low-level concerns can arise in several ways from various sources, e.g. suspicion, complaint or a disclosure.
- A low-level concern is any concern (no matter how small, and even if no more than causing a sense of unease or a 'nagging doubt') that a member of staff has acted in a way that:
 - is inconsistent with the staff code of conduct, including inappropriate conduct outside of work
 - does not meet the allegations threshold or is not considered serious enough to refer to the local authority designated officer (LADO).
- Low-level concerns can exist on a wide spectrum, from the inadvertent and thoughtless, through to behaviour, which is intended to enable abuse.
- Where low-level concerns are reported, the Headteacher should liaise with the LADO Service on 01634 331 065
- The Medway LADO policy states that all allegations, including low level are considered with the LADO, please communicate and engage with the LADO in relation to all low-level concerns.

Whistleblowing Procedure

- All staff and volunteers should feel able to raise concerns about poor or unsafe practice and such concerns will always be taken seriously by the leadership team. All members of staff are made aware of the school's Whistleblowing procedure. It is a disciplinary offence not to report concerns about the conduct of a colleague that could place a child at risk.
- Staff can also access the NSPCC whistleblowing helpline if they do not feel able to raise concerns regarding child protection failures internally. Staff can call 0800 028 0285 (8:00 AM to 8:00 PM Monday to Friday) or email help@nspcc.org.uk.

Safeguarding Children with Special Educational Needs and Disabilities

- St Thomas More Catholic Primary School understands that Children with special educational needs (SEND) and disabilities can face additional safeguarding challenges. These Children may have an impaired capacity to resist or avoid abuse. The DSL will work closely with the SENDCo to plan support as required.
- All staff will ensure that Children with SEN and disabilities will be able to overcome the barriers that exist for this group of Children and specifically ensure that those with communication difficulties will be supported to make sure that their voice is listened to and acted upon.
- It is important that all staff are aware that Children with SEN and disabilities may not always outwardly display indicators of abuse and that some Children can be disproportionately impacted by things like bullying and exploitation without outwardly showing signs.
- All members of staff will be encouraged to appropriately explore possible indicators of abuse such as behaviour/mood change or injuries and not to assume that they are related to the child's disability and be aware that children with SEN and disabilities may not always outwardly display indicators of abuse. To address these additional challenges, our school will always consider extra pastoral support for children with SEN and disabilities.

Curriculum and Staying Safe

- [Working Together to Safeguard Children \(2018\)](#) states that the curriculum should ensure opportunities for “developing Children’s understanding, awareness and resilience”.
- Schools play a pivotal and essential role in helping children to understand and identify the parameters of what is appropriate child and adult behaviour; what is ‘safe’; to recognise when they and others close to them are not safe; and how to seek advice and support when they are concerned.
- The school uses the PSHE, RE and RSE curriculum to increase self-esteem, self-awareness and social and emotional understanding, assertiveness and decision making this ensures that our children have a range of strategies to ensure their own protection and that they are able to also protect others. Online safety is also integrated into the curriculum.
- The school ensures that teachers that teach the PSHE curriculum have been trained and equipped to deliver high quality PSHE education in a safe way. For further information and training on Medway PSHE programs please follow the link: [School PSHE programmes](#)
- Children feel they can talk to a range of staff when they feel they are worried and can feedback about their school experience. Children at St Thomas More Catholic Primary School will be listened to, heard and their concerns will be taken seriously and acted upon as appropriate.

The Use of School Premises by Other Organisations

- Services or activities provided separately by another organisation from time to time may seek to use the school premises. The Headteacher or Governing Body will seek written assurance that the organisations concerned have suitable policies and procedures in place with regard to safeguarding Children and that relevant safeguarding checks have been made for all staff and volunteers.
- Without this assurance then an application to use the premises will be refused.

Security

- St Thomas More Catholic Primary School has a responsibility to provide a secure site that is controlled by clear management directives, but the site is only as secure as the people who use it. Therefore, all staff and people on the site have a responsibility for maintaining awareness of buildings and grounds security and for reporting concerns that may come to light. Staff will be expected to adhere to any safety arrangements implemented should Covid-19 restrictions need to be reintroduced.
- Visitors and volunteers must only enter through the main entrance and after signing in at the office will be issued with a school lanyard or visitor's pass. School has a clear system of ensuring visitors are to be accompanied/supervised by regulated staff member. Visitors will be expected to adhere to any safety arrangements should Covid-19 restrictions need to be reintroduced.
- St Thomas More Catholic Primary School will not tolerate or accept the behaviour of any individual (parent or other) that threatens school security or leads others (child or adult) to feel unsafe. This type of behaviour will be treated as a serious concern and may result in a decision to refuse access for that individual to the school site.
- Any individual on site who is not known or identifiable by a visitor's pass may be challenged by any staff member for clarification and reassurance.

Monitoring and Review

- All school staff (including temporary/supply staff and volunteers) will have access to a copy of this policy. The policy will also be available to parents/guardians on the website.
- This policy has been adopted from Medway and tailored to St Thomas More Catholic Primary School in July 2022 to reflect the new guidance and legislation issued in relation to safeguarding Children and promoting their welfare.
- All staff will have access to this policy and sign to the effect that they have read and understood its contents. The DSL will review the policy following any child protection concerns (including following learning identified from serious case reviews) or allegations against staff to ensure that it reflects appropriate, accurate and up-to-date safeguarding practice.
- The policy forms part of our school development plan and will be reviewed annually.

Local Support

- All members of Staff at St Thomas More Catholic Primary School are made aware of local support available.

If a child may be at risk of **imminent harm**, you should call **Children's Services First Response Team on 01634 334466** and/or the **Police on 999**

APPENDIX 1: Definitions of Forms of Abuse/Specific Safeguarding Issues

Definitions of Forms of Abuse

All school and college staff should be aware that abuse, neglect and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases, multiple issues will overlap with one another.

- **Abuse:** a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults or by another child or Children.
- **Physical abuse:** a form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Please click on the hyper link for further information, advice and guidance: [NSPCC Physical Abuse](#)

- **Emotional abuse:** the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as overprotection and limitation of exploration and learning or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Please click on the hyper link for further information, advice and guidance: [NSPCC Emotional Abuse](#)

- **Sexual abuse:** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The sexual abuse of children by other children is a specific safeguarding issue in education.

Please click on the hyper link for further information, advice and guidance: [NSPCC Sexual Abuse](#)

Neglect: the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate caregivers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Please click on the hyper link for further information, advice and guidance: [NSPCC Neglect](#)

Specific Safeguarding Issues

Please see below links to information and guidance about specific safeguarding issues. You will find further information in Annex B: Keeping Children Safe in Education 2022

Mental Health

- The department has published advice and guidance on [Preventing and Tackling Bullying](#), and [Mental Health and Behaviour in Schools](#).

In addition, Public Health England has produced a range of resources to support secondary school teachers to promote positive health, wellbeing and resilience among young people including its guidance [Promoting Children and young people's emotional health and wellbeing](#). Its resources include social media, forming positive relationships, smoking and alcohol. See [Rise Above](#) for links to all materials and lesson plans.

APPENDIX 2: Related Safeguarding Policies

This policy is one of a series in the school's integrated safeguarding portfolio and should be read in conjunction with the policies as listed below: (to be read and followed alongside this document).

- Safer Recruitment
- Whistleblowing
- Allegations of Abuse
- Relationship, Behaviour & Anti-Bullying
- Code of Conduct
- Remote Learning
- Health & Safety
- Positive Handling
- Attendance
- Data Protection
- Relationship & Health Education
- Personal, Social, Health Education
- Personal & Intimate Care
- First Aid
- Children with Medical Needs

APPENDIX 3: Procedure for dealing with disclosures (the 6 R's – what to do if)

1. Receive:

- Listen to what is being said without displaying shock or disbelief you display denial to a child or show shock or disgust at what they are saying, the child may be afraid to continue and will shut down.
- Accept what is being said without judgement.
- Take it seriously.

2. Reassure:

- Reassure the child, but only so far as is honest and reliable. Don't make promises that you can't be sure to keep, e.g. "everything will be all right now".
- Don't promise confidentiality – never agree to keep secrets. You have a duty to report your concerns.
- Tell the child that you will need to tell some people, but only those whose job it is to protect Children.
- Acknowledge how difficult it must have been to talk and reassure them they have done the right thing.

3. React:

- React to the Child only as far as is necessary for you to establish whether or not you need to refer the matter, but do not interrogate for full details
- **Do not** ask leading questions; "Did he/she....?" Such questions can invalidate evidence.
- Do ask open "TED" questions; Tell explain describe
- Do not criticise the perpetrator; the Child may have affection for him/her
- Do not ask the Child to repeat it all for another member of staff
- Explain what you have to do next and who you must talk to

4. Record:

- Make some very brief notes at the time and write them up in detail as soon as possible.
- Do not destroy your original notes
- Record the date, time, place, words used by the child and how the child appeared to you – be specific. Record the actual words used by the child
- Record statements and observable things, not your interpretations or assumptions – keep it factual.

5. Remember:

- Contact the designated member of staff
- The designated teacher may be required to make appropriate records available to other agencies

6. Relax

- Get some support for yourself
