SPORTS CAPTAIN

Term 1

WELL DONE TO OUR NEW SPORTS CAPTAINS

What it means to me to be a sports captain is I get to represent my school in competitions throughout the school year. I can be a good role model to children younger than me in the school. I would like to thank Mrs Robertson for choosing me and I am looking forward to helping with sports day and writing sports reports. Aidan

Hi I'm Indie, a sports captain and prefect. The reason Mrs Robertson picked us was because we are sporty and go on loads of tournaments. Although being a sports captain doesn't mean that we don't do anything other than sports; we have to be kind and helpful. Come to any of us if you want to know more about us. Just ask Tife, Tise, Aidan or me. See you around school!

Hello, I am Tife, a prefect, reading ambassador and sports captain of this school. I am a Year 6 and I am in green team. As a sports captain I am athletic and very competitive. The reason Mrs Robertson chose us as sports captain is because she knows that we have been involved in a various different tournaments and before and after school clubs. I am very proud to be a sports captain, thanks to Mrs Robertson.

Hi, my name is Tise and I'm explaining why you should be a sports captain. Being a sports captain means you go on various different tournaments and you lead some of your own sports. So you should be a sports captain.

Deanery Football

On Tuesday, a big group of ours travelled to St John Fisher for a football tournament. We played seven matches of which we drew 2 and won the rest. We came second. We would like to thank the year 4s and year 5s for competing in the tournament. We would also like to thank Mrs Robertson for taking us.

On 11th of October Year 5s and Year 6s went to a hockey tournament. We had lots of fun. We came last place (11th) but overall we enjoyed the moments and would like to thank Mrs Robertson for taking us.
