Be a Digital Leader

Are you interested in improving ICT and digital learning across our school? Can you support and inspire other pupils?

If so, then being a Digital Leader could be for you. To be a digital leader you need to have the following skills and qualities:

- Be a good digital citizen, follow and promote the rules of our online safety code.
- Enjoy using ICT in school and out of school
- Be friendly and positive
- Have good listening skills
- Care about helping other people
- Show confidence in working with school staff and other adults
- Enjoy researching and finding new apps and software.
- Have an interest in promoting ICT across the school
- Be creative and have lots of ideas on how to make ICT even better
- Have lots of enthusiasm
- Show perseverance and don't give up too easily!

What will be expected of me as a Digital Leader? These are some of the types of responsibilities that you will have as part of the digital leader team.

- Attend regular meetings with other Digital Leaders, teachers and other important adults.
- To keep an up-to-date blog of our digital journey.
- Test and review new apps and software that the school might purchase.
- Share your digital expertise with other pupils, classes and teachers.
- Take responsibility for ICT equipment, setting up in classrooms for teachers.
- Provide first line technical support in school.
- Help to train and assist staff.
- Charge iPads and laptops after use; ensuring they are ready for the next class.
- Promote the work of the digital leaders through helping to organise assemblies; to share and promote our vision.
- Be a positive role model and promote responsible online behaviour

If you are interested then please complete our Digital Leaders Application Form.

These will need to be completed by _____. You will then get a chance to share your manifesto to your class the week beginning_____. A class vote will be held. Good luck!
