Term 1 SPORTS CAPTAIN

WELL DONE TO OUR NEW SPORTS CAPTAINS

Hello, I'm Billy and I think sport is very important as everyone needs to stay fit and it's fun to do. I was very happy when I got Sports Captain as my week is filled with sports because I do swimming and cricket. When I'm not doing a club I'm normally playing outside, climbing trees with my friends. On hot days I sometimes go to a lake to paddleboard and swim.

Hello, I'm Isla and I'm happy to be your sports captain, I love sports and being active. I also take part in a lot of clubs in school and out of school.

Hello, my name is Tara and I was selected to be a sports captain. I am looking forward to being a sports captain and helping out because I like socializing with people. I like lots of sports like football, tennis, running and many more!

Hello, I'm Leo. I am interested in sports because it helps me feel happier and more energetic, so whenever I feel lethargic sports help me revive my energy. I enjoy football, basketball, hockey, sprints, hammer throw and discus. I'm looking forward to being sports captain because I feel like I would help with sports in this school.

Cross Country League

In cross country the girls managed to be 5th out of 9 schools. The boys doing cross country came 4th out of 7 schools.

This was tiring but we pushed through.
